

Dear Ex-Modernites,

The school accolades and highly appreciates the wonderful Get- Together organized by ex-modernites on 13th January 2018. To bring about more developed facilities in school, we need your overwhelming response, so that it will benefit our coming batches.

As per your suggestions and request regarding the setup of our “**Dream Solar Project**”, the school has finalized the accounts formalities.

Modernites willing to contribute in the installation of Solar Project in the school are appealed to pay the amount in RUPEES ONLY. Let us ensure the set up as early as possible.

The comparison chart and statistics of the electrical power consumption in the school:

MSEB electricity Unit Consumption per month	Solar Unit production per month	Approx. Total Cost of Solar Project [in Rs.]
[Kwh]	[Kwh]	
1200 units approx.	960 units	Rs. 5,55,000/- approx.
<ul style="list-style-type: none">• This “Dream Solar Project” will be the unique project gifted by our ex-modernites.• Solar Panel Project will save Rs. 1,40,000/- yearly against MSEB bill of the school.• Same amount has been planned to utilize for the development of the school substructure.		

****The details of the school account are:**
